How about labels? What about prejudice?
I am who I am
Fashion logic that follows intuition
without explanation
It's the high-level wisdom in fashion
Bright fashion BALLA handbag, take my soul
With the temperature of life
Carve my style into subtle detail
Not to change one's voice
and expression because of emotion

臻我。时尚由我

标签怎样？偏见又如何
i am who i am
跟随直觉不作解释的时装逻辑
是时尚里的高级智慧
点亮时装的BALLA手袋，收纳臻我灵魂
带着生灵温度
将我的风格刻画入微
不动声色
